**Route Description to Antwerp Gateway for Visitors**

A. Driving from Brussels on motorway E19:

1. Approaching the circular (Ring road) around Antwerp follow direction “Gent/Brugge E17”.
2. After the Craeybecks tunnel you’ll be driving on the circular towards “Gent/Brugge E17”.
3. After the J F Kennedy tunnel follow direction “Rotterdam (Tol)/Haven 1000 – 2000” (this is the second exit after the tunnel and it doesn’t have a number).
4. Following direction “Rotterdam (Tol)/Haven 1000 – 2000” drive onto motorway E34/N49.
5. Exit the motorway E34/N49 following direction “Rotterdam (Tol)/Haven 1000 – 2000”. This exit comes right after exit 9 “Beveren/Melsele” and does not have a number.
6. Driving through the Beveren tunnel keep the right lane and take exit 11 “Waaslandhaven Noord” right after the tunnel.
7. At the end of the exit drive onto the roundabout and take the 3rd exit and follow direction “Doel”.
8. Drive straight for about 200m. Turn right.
9. Drive straight for about 500m, passing Indaver factory and Antwerp Gateway truck entrance/exit on your left, and right after the train crossing you get to a junction where you take a left turn onto road “Geslecht”.
10. Drive straight and turn left opposite to the entrance of Hercules and continue towards security.

### B. Driving from Gent on motorway E17:

1. Approaching Antwerp stay on the left lane and follow direction “Rotterdam (Tol)/Haven 1000 – 2000”.
2. You exit motorway E17 right after exit 17 “Burcht”.
3. Following direction “Rotterdam (Tol)/Haven 1000 – 2000” drive onto motorway E34/N49.
4. Exit the motorway E34/N49 following direction “Rotterdam (Tol)/Haven 1000 – 2000”. This exit comes right after exit 9 “Beveren/Melsele” and does not have a number.
5. Driving through the Beveren tunnel keep the right lane and take exit 11 “Waaslandhaven Noord” right after the tunnel.
6. At the end of the exit drive onto the roundabout and take the 3rd exit and follow direction “Doel”.
7. Drive straight for about 200m. Turn right.
8. Drive straight for about 500m, passing Indaver factory and Antwerp Gateway truck entrance/exit on your left, and right after the train crossing you get to a junction where you take a left turn onto road “Geslecht”.
9. Drive straight and turn left opposite to the entrance of Hercules and continue towards security.

### C. Driving from Aachen – Köln – Eindhoven – Hasselt – Liège on motorway E34:

1. Approaching the circular (Ring road) around Antwerp follow direction “Brussel E19”.
2. Once on the circular follow direction “Gent/Brugge E17”.
3. After the J F Kennedy tunnel follow direction “Rotterdam (Tol)/Haven 1000 – 2000” (this is the second exit after the tunnel and it doesn’t have a number).
4. Following direction “Rotterdam (Tol)/Haven 1000 – 2000” drive onto motorway E34/N49.
5. Exit the motorway E34/N49 following direction “Rotterdam (Tol)/Haven 1000 – 2000”. This exit comes right after exit 9 “Beveren/Melsele” and does not have a number.
6. Driving through the Beveren tunnel keep the right lane and take exit 11 “Waaslandhaven Noord” right after the tunnel.
7. At the end of the exit drive onto the roundabout and take the 3rd exit and follow direction “Doel”.
8. Drive straight for about 200m. Turn right.
9. Drive straight for about 500m, passing Indaver factory and Antwerp Gateway truck entrance/exit on your left, and right after the train crossing you get to a junction where you take a left turn onto road “Geslecht”.
10. Drive straight and turn left opposite to the entrance of Hercules and continue towards security.

#### D. Driving from the Netherlands on motorway A12:

1. Driving to Antwerp exit A12 following direction “Gent/Brugge (Tol) E17” (exit without number).
2. Drive through Tijsmans tunnel and Liefkenshoek tunnel.
3. Right after the Toll take exit 11 “Waeslandhaven Noord” and follow the right lane turning sharp!! (If you missed this and followed the left lane going straight, see point 7).
4. Drive onto the roundabout and take the 2<sup>nd</sup> exit onto road “Geslecht”.
5. At the junction, keep to the right.
6. Drive straight (passing on your right chemical companies Ineos Phenol and Hercules) until you get to the security gate.
7. If you missed taking the right lane at exit 11 (point 3) you will get to a roundabout.
8. Drive onto the roundabout and take the first exit following direction “Doel”.
9. Drive straight for about 200m. Turn right.
10. Drive straight for about 500m, passing Indaver factory and Antwerp Gateway truck entrance/exit on your left, and right after the train crossing you get to a junction where you take a left turn onto road “Geslecht”.
11. Drive straight and turn left opposite to the entrance of Hercules and continue towards security.
