Route Description to Antwerp Gateway for Administration Building

A. Driving from Brussels on motorway E19:

1. Approaching the circular (Ring road) around Antwerp follow direction “Gent/Brugge E17”.
2. After the Craeybecks tunnel you’ll be driving on the circular towards “Gent/Brugge E17”.
3. After the J F Kennedy tunnel follow direction “Rotterdam (Tol)/Haven 1000 – 2000” (this is the second exit after the tunnel and it doesn’t have a number).
4. Following direction “Rotterdam (Tol)/Haven 1000 – 2000” drive onto motorway E34/N49.
5. Exit the motorway E34/N49 following direction “Rotterdam (Tol)/Haven 1000 – 2000”. This exit comes right after exit 9 “Beveren/Melsele” and does not have a number.
6. Driving through the Beveren tunnel keep the right lane and take exit 11 “Waaslandhaven Noord” right after the tunnel.
7. At the end of the exit drive onto the roundabout and take the 3rd exit and follow direction “Doel”.
8. Drive straight for about 200m. Take the first turn right.
9. You will see the big “Indaver” factory on your left hand side – 50m after the entrance of “Indaver” you will see our entrance for trucks & our entrance for vehicles on your left. Take the rightmost entrance which is for cars.
10. Follow this entrance until the parking lot and walk back to the revolving door.
11. Take the revolving door, climb up the stairs & follow the landing to our offices on the first floor.
